

Senior English (L3) 2020-2021 Summer Listening Assignment

Welcome to 12th grade English (L3),

This summer, I want you to practice *listening*.

1. Choose any **podcast*** and listen for at least **1 hour**.
2. Join Google Classroom: **Code— 45ijko5**
3. **Fill out the form** on Google Classroom, **before** the first day of school.
4. You may do more than one for **extra credit**, if you like.

*There are many ways **to find a podcast**:

- Search youtube for a podcast of your choice. Try “podcast on fishing,” or “podcast on Call of Duty,” or podcast on yoga,” or “podcast on self defense,” or “podcast on Navy Seals,” or “podcast on training a dog,” or “podcast on [your choice] .” The ideas are endless.
- Search other sources like Spotify, itunes, or Anchor.
- Ask a friend for a recommendation.

Please keep in mind that this is an assignment for **school**.

You have time and opportunity to listen to whatever you want, **but...**

Be wise in what you choose to submit for a school assignment.

Credit **will not** be given for podcasts that are not school appropriate.
