

Memorial Donations

Valley Community Library

Memorial donations are a meaningful way of honoring the memory of a friend or relative. Upon receipt of contributions, appropriate materials are selected (if applicable) and acknowledgment is sent to both the donor and to the family of the person memorialized. The donor's address is placed on this notification so that proper thanks may be given.

Material donations with a bookplate begin at \$25 per item. A bookplate is placed on each item selected identifying it as a Memorial donation. It is inscribed with the name of the person honored (and the name of the donor, if requested).

General Fund donations can also be made in memory of someone. There is no minimum donation for the General Fund.
